Financial Series: The Power of Vision

THEME: *Your financial future is bright and full of abundance and generosity! You are blessed to be a blessing! The key is involving God in your finances.*

Having a vision for your finances is mandatory—and not an option—in order to experience financial changes and freedom.

IF YOU WANT TO SEE CHANGES IN YOUR FINANCES, YOU MUST:

1. Write your vision down. What is it you desire?
2. Have clear and practical goals – not anything vague.
3. Run with the vision. Take action! Start moving toward it!
4. Be faithful and patient to see it accomplished.

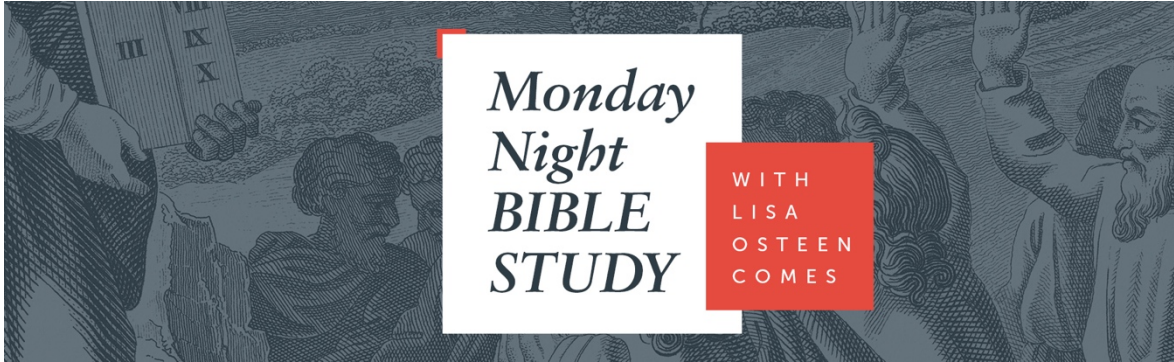

WHY VISION IS IMPORTANT:

- What we look at and what we focus on determines our direction. *Proverbs 4:20*
- Whatever you fix your eyes on, you will move toward. *Hebrews 12:2*
- Out of sight is out of mind – without vision; you'll fall back into your normal old routine.
- If you don't cast your own vision, your circumstances will do it for you!
- Vision is a to do list for the future.

As you look at your Vision Board daily, you are reminding yourself that you need to take action, ask God for wisdom in these areas, and thank God for helping you.

IF YOU STUDY THE WORD OF GOD YOU WILL LEARN THAT:

1. **God desires to meet your needs and He does not want you to live in continued lack.** *Philippians 4:19, Matthew 6:33, II Corinthians 9:8*
2. **God does not want you burdened by debt.** *Deuteronomy 28:12, Proverbs 22:26-27*
3. **God wants you to have your own home.** *Deuteronomy 6:9-11, Mark 10:28-30, Prov. 24:3-4*
4. **God wants you to have a savings account.** *Proverbs 13:11, Proverbs 28:20*
5. **God wants you to leave an inheritance for your children's children.** *Proverbs 13:22*
6. **God will bless you financially and in other ways when you obey Him in giving to help finance the message of the Gospel.** *Mark 16:15, II Corinthians 9:6-11, II Corinthians 8:7*
