

Unusual Miracles Part 2

Text: John 11

What We Can Learn From John 11:

1. God can raise the seemingly dead things in your life.
 - Don't give up on the things you are praying about and believing for because - Jesus is coming to your house.
 - It may see too late, but it's never too late for a miracle.
 - Set your faith for God to do the impossible in your life. Mark 5:36
 - Set your faith for a resurrection in your life!
2. A miracle always begins with a great need or a problem.
 - Satan will try to use your situation to UPSET YOU - but God will use it as a SETUP for a MIRACLE!
3. We must always call on the Name of Jesus. Proverbs 18:10
 - When you respond in prayer, you have set yourself up to win.
 - God said to us in Psalm 91, when you call on ME, I will:
 - Rescue and protect you.
 - I will answer you and be with you in trouble.
 - I will deliver and honor you.
 - And satisfy you with long life.
 - I will show you My salvation and deliverance!
 - God can reveal things you need to know - hidden things that you wouldn't know in the natural. Jeremiah 33:3
4. We must always hold on to the promises of God.
 - The Bible is God speaking to you and it is full of salvation promises, healing promises, and victory promises.
 - If you carry the Word of God in your heart - the Word will carry you through the trials of life!
 - The promises of God keep us going and fuel our faith. Hebrews 10:23
5. We must always trust God's timing.
 - God doesn't work on our timetable, but He carries out His will in PERFECT TIMING and in PERFECT POWER.
 - Just because we don't see God working, doesn't mean He is NOT working.
 - God is not going to waste anything you are going through.
6. Exercise "even now" faith.
 - All it takes is one word from God - one supernatural act of God - and your life is changed forever!
