 - **A dream occurs when a person is asleep, and a vision occurs when the person is awake.**
 - **A dream from God will NOT put fear on you or bring confusion.**
 - **If you sense your dream is from God and you don't understand it, then ask God to reveal the meaning of it. And until you understand it, just ponder it in your heart and wait on God. He may be giving you a glimpse of the future—and you will see it come to pass later on.**
